**VERY IMPORTANT:**

1. Write your preferences in the order you would like to be considered for admission against the name of College/Institution.
2. Preference once given shall be final and cannot be changed subsequently. Think carefully before writing.
3. Cutting / erasing / over writing is not allowed.
4. The applicant shall never be considered for a college which he/she has not written down in this list of choices. The University shall not assign a college by itself if the alternate choices are not indicated.
5. Khyber Girls Medical College, Peshawar is for female students only. Male students cannot opt for this college.
